**\$400.00 Piano Contest
Will Be Interesting**

The Freeman-Miller Hardware Co. gave away a \$40 sewing machine—made by the New Home people—absolutely free Saturday afternoon in the city park. Mrs. Everett Brown being the lucky person.

Tickets had been given free to all calling for them at the store and over 1,000 tickets had been given away. It is estimated that more than that many people were in the park Saturday afternoon to see who would secure the machine.

The winning ticket was No. 559, and as this ticket was held by Mrs. Brown, she was awarded the machine.

The Freeman-Miller Hardware Co. is to be commended for their

enterprise in doing what they did. The number of people brought to Mansfield thereby is an item worthy of consideration.

The Freeman-Miller Hardware Co.'s piano contest commences this week. An elegant piano will be the capital prize—and one well worth considerable effort and energy.

Other prizes will also be given, aggregating in value a goodly amount.

Call at the store and ascertain the particulars of the contest.

This store's reputation is ample proof of a square deal in every respect and the value of the prizes to be awarded makes the contest one worthy much time and effort.
